Transportation

District 211 school buses will run for morning credit classes only. District transportation is not provided for afternoon classes. The fee is \$35 for one semester, \$70 for both semesters. **Because of irregular schedules, students in driver education classes may not be able to benefit from bus service.**

All students are asked to be at their assigned corner at the route start time and remain there until the bus arrives. Please contact your student's counselor with any bus assignment questions. The transportation department should only be contacted after summer school begins with questions regarding missed busses.
